PPEBuddy

As you head back to work make sure to protect yourselves, employees, and customers. We've designed new personal protection kits that can be tailored to your needs. They include everything needed to ensure your customers, clients, employees, and students are safe. Stay ahead of your competitors by providing a personalized PPE kit. We offer customized kits with barcoding for inventory tracking along with private labeling. We service airlines, schools, offices, retailers, all hospitality companies, healthcare facilities, and government organizations.
